Sri V. M. MASCARENHAS.—Will the Government tell me how much it costs the Government to send one student on study leave ?

Sri A. G. RAMACHANDRA RAO.—The candidates are sent to different countries and under different categories and there is no uniform payment in respect of each candidate.

Sri V. M. MASCARENHAS.—Does it mean thereby that you are at liberty to spend any amount for any student for any study that he likes ?

Sri A. G. RAMACHANDRA RAO.—There are several schemes—Ford Foundation, Colombo Plan, etc. Each has its own scheme of supplying funds.

Sri V. M. MASCARENHAS.—Could you tell me the minimum or the maximum ?

Sri A. G. RAMACHANDRA RAO.—Not even that.

Sri V. M. MASCARENHAS.—You have sent 42 students. Don't you know how much a student would cost all these years ?

Sri A G. RAMACHANDRA RAO.—If the aid from the Scheme is much, the expenditure falling on the Government will be smaller and *vice versa* also. Therefore, it will be very difficult to say what the maximum and minimum would be.

Sri V. M. MASCARENHAS.—When sanctioning study leave, is the Government consulted by the student regarding the subject he selects, the University he selects and the examination for which he finally sits ?

Sri A. G. RAMACHANDRA RAO.—Government have two conditions. One is the need of the department and the other is the equipment of the candidate. These two things were hitherto being considered at the level of the departmental head and the Government. Now a special Committee is appointed. They will go into the question.

Sri V. M. MASCARENHAS.—Is the Government invariably informed of the examination which the student will take at the end of his studies and if he sticks to the programme he has promised to Government ?

Sri A. G. RAMACHANDRA RAO.—Generally, it will be done.

Sri V. M. MASCARENHAS.—May I know whether it is not the intention of the Government that students who are sent come back and serve the State in the subject in which they have specialised ?

Sri A. G. RAMACHANDRA RAO.—Yes.

Sri V. M. MASCARENHAS.—Will you see that candidate, No. 18, who was trained in Public Health Engineering, is to-day a Superintending Engineer of the Cauveri Circle ?

Sri A. G. RAMACHANDRA RAO.—Because that Sanitary Section itself as a separate section was removed.

Sri Kadidal MANJAPPA.—No doubt he has specialised in the sanitary Section. But Government thought that he should acquire experience during the general period. Therefore he has been posted in charge of the Cauveri Circle.

Sri V. M. MASCARENHAS.—Are there cases where the students after returning from study leave have retired within a space of three or four years ?

Sri A. G. RAMACHANDRA RAO.—I do not know the length of the period, but there has been a gap, I see.

Sri Mulka GOVINDA REDDY.—Out of 42 persons who were sent abroad, how many were sent on Government account and how many were sent on other account ?

Sri A. G. RAMACHANDRA RAO.—All these are serving the Government. But they come under different categories.

Sri Mulka GOVINDA REDDY.—My question is: how many of the 42 persons were sent on Government account including the University and how many on Ford Foundation or such other help?

Sri A. G. RAMACHANDRA RAO.—Except the University staff, the rest have been sent by the Departments.

Sri Mulka GOVINDA REDDY.—Have all the 42 returned to India after getting themselves trained ?

Sri A. G. RAMACHANDRA RAO.—I believe so.

Sri R. ANANTARAMAN.—Is it not a fact that some of the students who went abroad for higher studies have been refused study leave ?

Sri A. G. RAMACHANDRA RAO.—I believe it is so in some cases.

Sri R. ANANTARAMAN.—Will the Government be pleased to give the names of those persons who have been refused study leave?

Sri A. G. RAMACHANDRA RAO.—I want notice.

Sri K. PUTTASWAMY.—Has it come to the notice of the Government that the person found in Sl. No. 3, C.D. Padmarajiah has not returned even though it is seven years since he was sent?

Sri A. G. RAMACHANDRA RAO.—Necessary action is being taken.

Sri K. PUTTASWAMY.—May I know what action is being taken in that case?

Sri A. G. RAMACHANDRA RAO.—I do not know particularly about this candidate. But those who have overstayed have been issued notices that they should return immediately or their services will be terminated.

Sri K. PUTTASWAMY.—Sir, you were pleased to say that necessary action was taken against that gentleman. This person has not returned even though it is seven years since he went out. I want to know what action has been taken in this matter.

Sri A. G. RAMACHANDRA RAO.—As I stated early, in cases where there has been overstay, instructions have been issued to the University either to terminate their services or call them back. I understand that necessary instructions have been issued in the matter.

Sri K. PUTTASWAMY.—With reference to a question put with regard to the person found in Sl. No. 18, the Minister was pleased to state that he has been posted as Superintending Engineer of Cauvery Circle so that he may gain experience. Is it not a fact that this officer is a senior officer and has worked in all the sections of the Department up to the year 1950?

Sri Kadidal MANJAPPA.—I remember it is so.

Sri K. PUTTASWAMY.—Then, where is the necessity of posting him as Superintending Engineer when he has gained experience in all the sections of the department by being a senior officer?

Sri Kadidal MANJAPPA.—For at least some years, he had not been in touch with the Sanitary Department.

Sri K. PUTTASWAMY.—May I ask what other arrangement has been made for the office of the Superintending Engineer, Sanitary Circle?

Sri Kadidal MANJAPPA.—There is another person who is equally qualified and who has got the necessary experience.

Sri K. PUTTASWAMY.—Has he also been trained abroad?

Sri Kadidal MANJAPPA.—Though he has not been trained abroad, he has got the necessary qualification and experience.

Sri A. G. RAMACHANDRA RAO.—I want notice.

ಶ್ರೀ ಎಚ್. ಹುಚ್ಚಮಾಸ್ತಿಗೌಡ.—ಅವರಿಗೆ ಮೂರು ವರ್ಷಕ್ಕೆ ಸರ್ಕಾರದವರು ಕೊಡಬೇಕಾದ ಸೌಲಭ್ಯಗಳನ್ನು ಕೊಡುತ್ತೇವೆಂದು ಭರವಸೆ ಕೊಟ್ಟಿದ್ದರೆ?

Sri A. G. RAMACHANDRA RAO.—I think the same conditions as applicable to others have also been applied.
